

The August 22, 2013 meeting of the Zoning and Planning Committee was called to order by Chairperson John Mooring. Those in attendance were Jules Banzet, Mary Hunter and Robert Schuerch.

The committee members reviewed the proposed ordinance regarding Backyard Chickens, considering suggested changes. Members discussed the possibility of charging a fine for non-compliance and it was recommended that at this time fines would not be charge. Citizens who are non-compliant will be asked to take steps to become compliant.

After making several corrections to the wording of the ordinance, a motion was made by Jules Banzet to approve the ordinance as corrected to be recommended to the Town Board of Commissioners. Mary Hunter seconded. The motion carried unanimously.
